The New Standard For Residual Control Is Now Labeled For Soybeans

Benefits of Zidua® Herbicide
- Longest lasting residual control—up to two weeks longer than other herbicides
- New standard for use flexibility
- Use rates are as much as 10 times less than other brands
- Superior Palmer Amaranth and Waterhemp control

Zidua herbicide provides superior residual control and use flexibility in one product.

Broadleaf Weed Control

1.5 oz Zidua PRE followed by a Zidua 0.5 oz + Roundup WeatherMax 22 oz POST.
Best Use Recommendations

Use Rate: 1.5–3.5 oz/A  
Labeled Crops: Corn, Soybean  
Application Timing: Fall, Preplant, Preemergence and Postemergence
- Use rate is dependent on soil texture and application timing. Please consult label for appropriate application rate in your field.
