

Training for Approved Dicamba Formulations

Additional South Dakota Requirements

- **DO NOT apply after June 30.**
- Tank mix and nozzle information must be printed and with the applicator at time of application and attached to the spray records once the application is complete.
- Records are to be completed at the end of each day.
- While not required, it is a best practice to be trained prior to purchase.

DO NOT use dicamba if you are unwilling or unable to follow requirements
